

The Fourth International Conference on

# Millimeter Wave and Terahertz Technologies

**20-22 DEC, 16** School of Electrical and Computer Engineering,  
University of Tehran, Tehran, IranUniversity of Tehran  
Center of Excellence on  
Applied Electromagnetic SystemsAmirkabir University of Technology  
Center of Excellence on  
Radio Communication Systems

The fourth International conference on millimeter-wave and terahertz technologies organized by The Center of Excellence on Applied Electromagnetic Systems of the University of Tehran and The Center of Excellence on Radio Communication Systems of Amirkabir University of Technology will be held in the School of Electrical and Computer Engineering, University of Tehran, Tehran, Iran.

The conference provides a forum for researchers and experimentalists in this emerging field to present and to exchange the outcome of their research. Technical papers describing original contributions to the science, technology, and applications of millimeter and terahertz waves are welcomed. Topics of the conference include but are not limited to the following areas in **millimeter-wave and terahertz technologies**:

- Antennas and Propagation
- Circuits and Devices
- Measurements
- Communication Systems
- Microwave Photonics
- Plasmonics
- Graphene and Metamaterials
- Modeling and Numerical Techniques
- 5G, IoT, and ITS-Related Technologies
- Other Related Topics

## IMPORTANT DATES

Extended paper submission deadline:	October 25, 2016
Proposals for workshops deadline:	November 5, 2016
Acceptance notification:	November 19, 2016
Camera-ready submission:	December 3, 2016

## SUBMISSION GUIDELINES

- 1- Proposals for special sessions and workshops should be submitted in the mentioned topics. Researchers and experimentalists are invited to submit their final proposals by Nov. 5, 2016.
- 2- Papers presenting original and unpublished work are invited and will be evaluated based on originality, significance, technical soundness, and clarity of exposition.
- 3- All papers must contain title, authors' full names, affiliations, mailing and e-mail addresses.
- 4- Detailed information about the paper, format and all other submission guidelines are available in the conference website.
- 5- All papers must be submitted electronically using the conference website.
- 6- Only English papers will be considered.
- 7- Selected extended papers will be published in the peer-reviewed journal of IJICT (<http://journal.itrc.ac.ir/>).
- 8- Only presented papers in the conference will be published in the conference proceedings.
- 9- All presented papers which meet IEEE's quality standards will be indexed in IEEE Xplore.

**Prof. M. Kamarei**  
General Chair**Prof. R. Faraji-Dana**  
Conference Chair**Prof. J. Faiz**  
Head, Center of Excellence on Applied Electromagnetic Systems**Prof. A. Tavakoli**  
Head, Center of Excellence on Radio Communication Systems**Prof. A. Abdipour**  
Technical Program  
Committee Chair**Prof. J. Rashed-Mohassel**  
Executive Committee  
Chair**Dr. M. Dehmollaian**  
Exhibition**Prof. M. Shahabadi**  
International Relations**Dr. Mohammadpour Aghdam**  
Workshops**Dr. M. Neshat and  
Dr. L. Yousefi**  
Finance and  
Local Arrangement**Dr. P. Dehkhoda and  
Dr. A. Askarpour**  
Informatics and Public  
Relations
